Recognising Ageism

X:

Ageism can be subtle or blatant. Recognising #Ageism the first step to challenging it. If you see or hear ageism around you, call attention to it. Use it as opportunity to educate those around you about why it is harmful.

Facebook/LinkedIn:

Ageism isn't always obvious. It can be as subtle as a comment about someone being "too young" or "too old" for a task, or as overt as discriminatory hiring practices. If you see or hear ageism around you, call attention to it. Use it as an opportunity to educate those around you about why it is harmful.

What are you doing to become more aware of ageist attitudes around you?

Ageism in Media and Culture

X:

Media often perpetuates ageist stereotypes by misrepresenting or underrepresenting older persons. It's time to demand more diverse and accurate representations of all ages. #AgeismAwareness #DiverseRepresentation #EliminateAgeism

Facebook/LinkedIn:

Ageism is deeply ingrained in media and culture. Think about how older adults are portrayed in media. Is there equal representation of older persons based on population? Or are there fewer main character portrayals of older adults? How are those older adults

portrayed? Are they able, contributing members or society, or are the depicted as frail and dependent?

Older adults deserve accurate representation in media and pop culture. It's time to challenging these narratives. How can we promote more diverse and accurate representations of all ages in media and culture? #AgeismAwareness #EndStereotypes #EliminateAgeism

Instagram:

🎥 Media has a powerful influence on how we view age, but often it's filled with ageist stereotypes and underrepresentation of older adults. It's time to advocate for more inclusive and accurate representations of all ages in films, TV, and advertising. Together, we can change the narrative! #AgeismAwareness #EndStereotypes #EliminateAgeism

Ageism in the Workplace

X:

Ageism in the workplace limits potential. Instead, we should celebrate wisdom and create environments where experience and innovation thrive together. #AgeismAwareness #InclusiveWorkplace #EliminateAgeism

Facebook/LinkedIn:

Ageism in the workplace is a barrier to growth and success. When the experience, knowledge and wisdom of older employees is not celebrated, everyone loses. It's time to put an end to ageist practices like older employees being overlooked for leadership roles

and new opportunities. Ageism hinders potential and diversity.

Ageism in Health Care

X:

Ageism in health care is a serious issue that can lead to misdiagnosis, inadequate treatment, or even neglect. Everyone deserves quality care, no matter their age. #AgeismAwareness #EqualCare #EliminateAgeism

Facebook/LinkedIn:

Ageism in health care is a serious issue that can lead to misdiagnosis, inadequate treatment, or even neglect. Older patients may be dismissed as "just aging," or feel as though they are not being listened to. It's crucial for health care professionals to approach each patient with an open mind, free from age-based assumptions, and to provide equal, compassionate care for all.

How can we ensure that health care professionals treat the person, not the age? #AgeismAwareness #HealthForAll #EliminateAgeism

Instagram:

🏥 Health care should be age neutral. Unfortunately, ageism in health care can lead to poorer outcomes for older patients. It's crucial for health care professionals to approach each patient with an open mind, free from age-based assumptions and to provide equal, compassionate care for all.
